RESULTS

Athletes - non Ukrainian citizens will have places in WRE and Capital Cup races, but will not have places in the Ukrainian Cup.

The place of the athlete in each group in each race: best time = best place.

The place of the athlete in the "CAPITAL CAPITAL" is determined by the bigger sum of points scored in three races (Sprint, Sprint, City Race).

Points in each race are calculated according to the formula:

$$N = 1000 \times (T_w / T_p), \text{ where}$$

T_w - time of the winner of the group,

T_p - time of the participant.

START LIST

For all groups, except M/W21E for WRE, starting times are drawn randomly.

The algorithm for starting times for groups M/W21E (two WRE Sprints) is as follows: athletes who do not have IOF Ranking Points start in the first group on the random draw; athletes with IOF Ranking points start in the second group according to their Rank as for

May 19, 2019 (lower ranked runners are in the beginning); 6 athletes who have the highest Rank will start in the last group by random draw.

SI-system will be used.

PRIZE GIVING

The diplomas, medals and some prizes will be given for:
